Technician Class will again be held early in 2016. Tentative start date is February 16 with the exam March 10. Check the website for details. Spread the word!

Announcement by KOBDD about the upcoming John Beargrease sled dog race. It sounds like at least 2 hams from our club will be participating in support. Thanks guys, stay warm and have fun!

Motion made to adjourn by NOUW and seconded by KOBDD. Meeting was adjourned at 9:17am.

Round table introduction of those present and discussion followed. A warm welcome to visitors and new members – great to see everyone. There was a lot of good after meeting talk and rag chewing going on.

A thank you to NOUW and WB0PKG for bringing in there CW set ups with homemade "keying mice". Great hands on demonstration for us to see.

KDOTLI also had an antenna he is using for tracking satellites with and will bring that to another meeting for demonstration.

We encourage demonstrations, materials, information to be shared after every meeting. Thanks!

Check the website for events/details/changes. www.oscarmn.org

Respectfully submitted by WA0FMG

In remembrance of silent key, AE0BR
