Skywarn Report: Updated by KD0KRY. www.steelecountyskywarn.org All upcoming meetings and classes have been postponed due to the coronavirus. **Check the website or Facebook page for more details.** The 145.490 is the Skywarn frequency. Working on protocol for Spotter activation if needed. There was discussion also regarding training – online training will not qualify you if you are new to SkyWarn.

RACES & ARES: No report. Check the OSCAR website for more information.

Old Business:

AMSAT Class: KY0GBZ summarized class that was held via Zoom.

WB0PKG has ordered the bandpass filter(s) to purchase for the OSCAR club for field day and Club use.

FIELD DAY: JUNE 20 & 21

- New software upgrade – you will need version 6.2
- Site has been approved – same as last year with both field locations – McKinley School.
- N0MDC sent Event application to the City. 10 picnic tables were requested vs. the standard 6 due to social distancing concerns.
- N0UW is working on proof of insurance – typically covered as a RACES Event; will need a social distance plan to submit.

N0MDC provided Club inventory list. It is attached – [please review and reply to WA0FMG with any updates.](#)

New Business: None

Motion by AC0DA, seconded by KCOUOW to adjourned. Meeting adjourned at 9:56 am. Repeater turned back over to normal amateur use.

Respectfully submitted by WA0FMG.
